Quantum's Milestones

Message from the Managing Director

Thank you for taking the time to read this short overview into the story of Quantum so far, hopefully you will benefit from further knowledge of some of the unique services we pride ourselves on at Quantum Electrical Distribution.

Quantum was born from the vision of a team of highly qualified and experienced people from within the Electrical Wholesaler Industry who set out to create an Electrical Wholesaler with the primary goal of offering the highest levels of service to customers using the combined 100 years of experience and knowledge gained from within the industry.

With strengths from within the Aviation, Renewable Energy, Industrial, Commercial, Residential, and Telecommunication sectors, we are confident in exceeding our customer expectations on every occasion.

During my 25 years in the Electrical Wholesale Industry, it has always been my personal goal to provide something further and exceed the expectations of our market. As part of this strategy, Quantum understands it must play its part in contributing wherever possible in the fight against climate change, with our goal being to be completely carbon neutral by 2030. This began in 2020 with the launch of our new fleet of Rapid Response Electric Delivery vehicles and our commitment to plant a tree for every sale.

Quantum's strategy is simple, maintain and develop that impeccable service from day one. Quantum will always go the extra mile, ensuring that whilst we build on our relationships and experience, we nurture what's important. That is, looking after our team, taking care of our customers, working closely with our key manufacturers, and continuing to express the Quantum passion through our incredible team who fuel our business and make us stand out from our competitors.

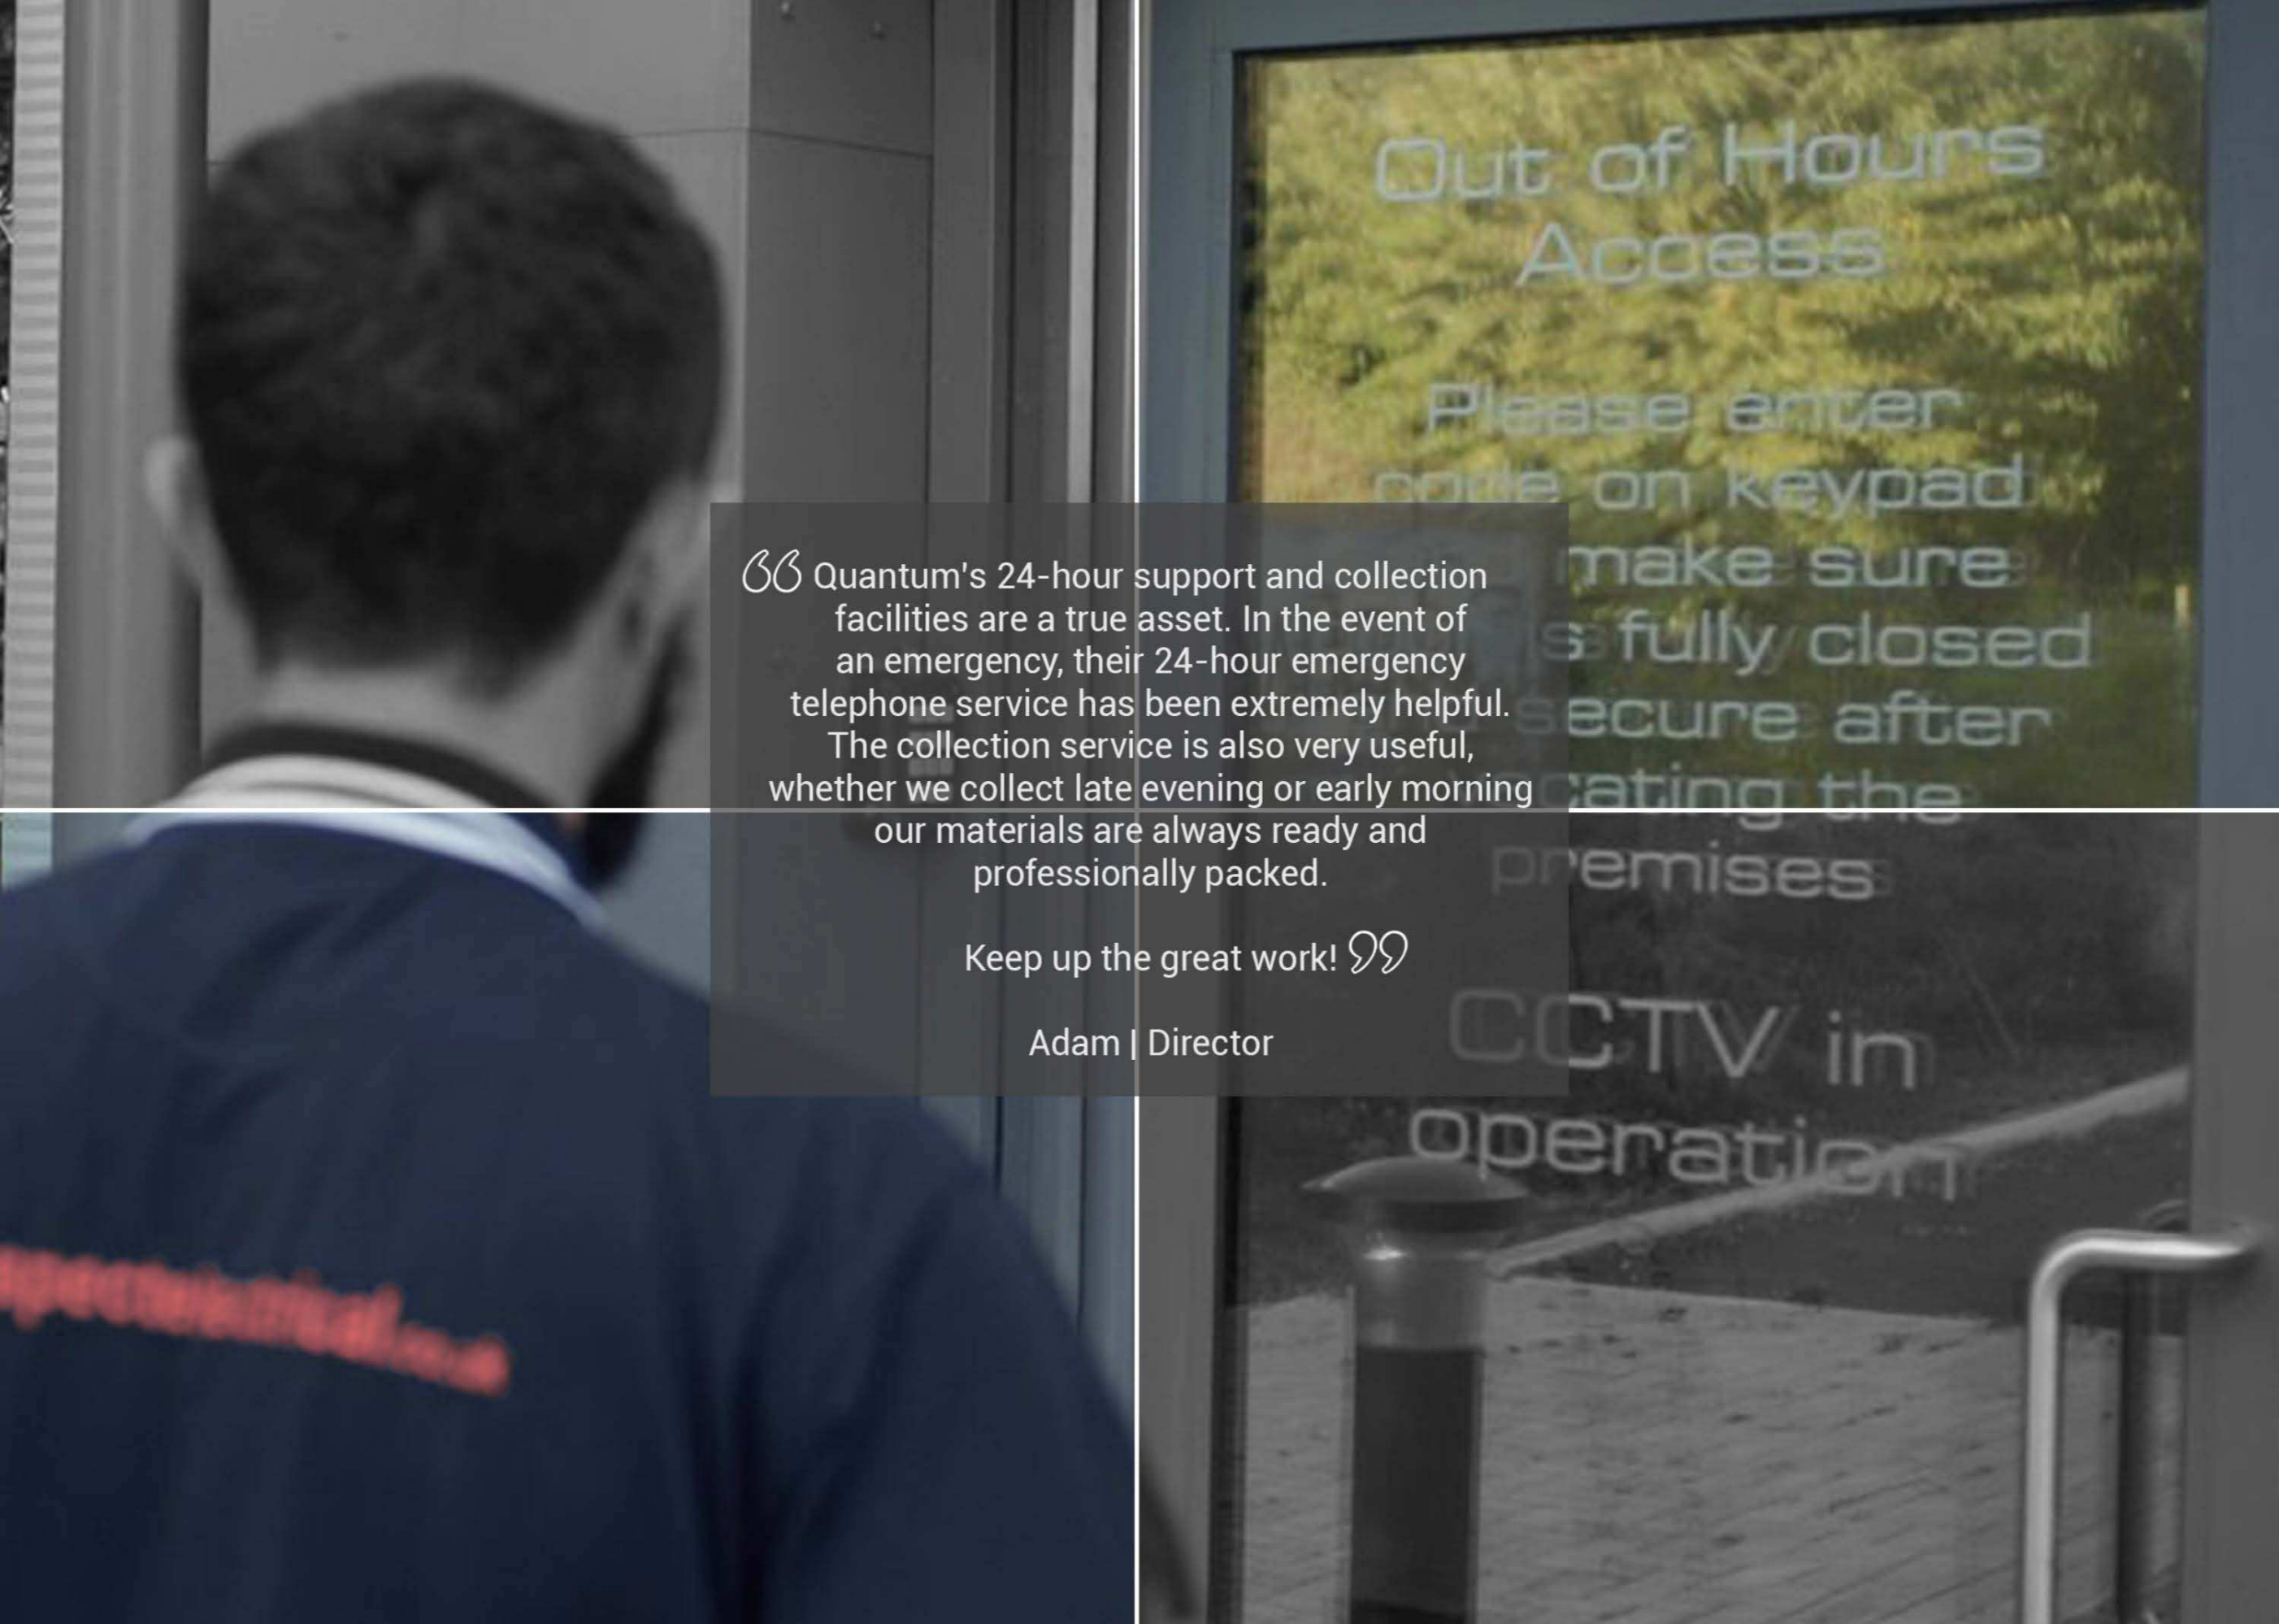

On behalf of Quantum and the team, we welcome you to the family.

With kindest regards,

Tony Jenner.

Founder & Managing Director

“Quantum's 24-hour support and collection facilities are a true asset. In the event of an emergency, their 24-hour emergency telephone service has been extremely helpful. The collection service is also very useful, whether we collect late evening or early morning our materials are always ready and professionally packed.

Keep up the great work! ”

Adam | Director

24/7 Support & Collections

There when you need us. Night and day

24 Hour *emergency line*

In an emergency, customers look to you to save the day. Like many electricians offering around the clock support/call outs, Quantum offers a 24/7 emergency support service for all our clients. Just phone our emergency line and get through to a member of our team, day or night.

Out of hours collection point

Simply contact us, and we will ensure your order is packed, ready and waiting in our secure collection point. You'll receive a unique secure code to access the collection point whenever you like, day and night.

Contact us today for support: 01293 213 007

“Quantum are always my 'go to' wholesaler! Not only with my current company, but also with my previous companies too. We use their service into London every day and get our materials from 5am! I don't know anyone else who can provide such a consistent service.”

James | Director

Early Morning /Late Night Deliveries

Early Morning
/Late Night
Deliveries

*Whilst the city
sleeps, **Quantum**
continues to service*

Early Morning

As contractors start their day on site, we are ready and waiting. With Quantum, you can get ahead using our daily Early Morning Delivery service. Delivering your goods to site before the city wakes.

We deliver onsite daily from 5am onwards, allowing you to maximise your time and get the most out of every day. To book your Early Morning Delivery slot, simply call and place your order by 6pm for next day service.

**Early Morning/Late Night Deliveries
saves hundreds of hours yearly by
delivering to site at your preferred time.**

Late Night

Need a delivery late at night? Quantum have you covered with the Late Night Delivery service. We cater for your needs around the clock and can deliver to your chosen location right up until midnight.

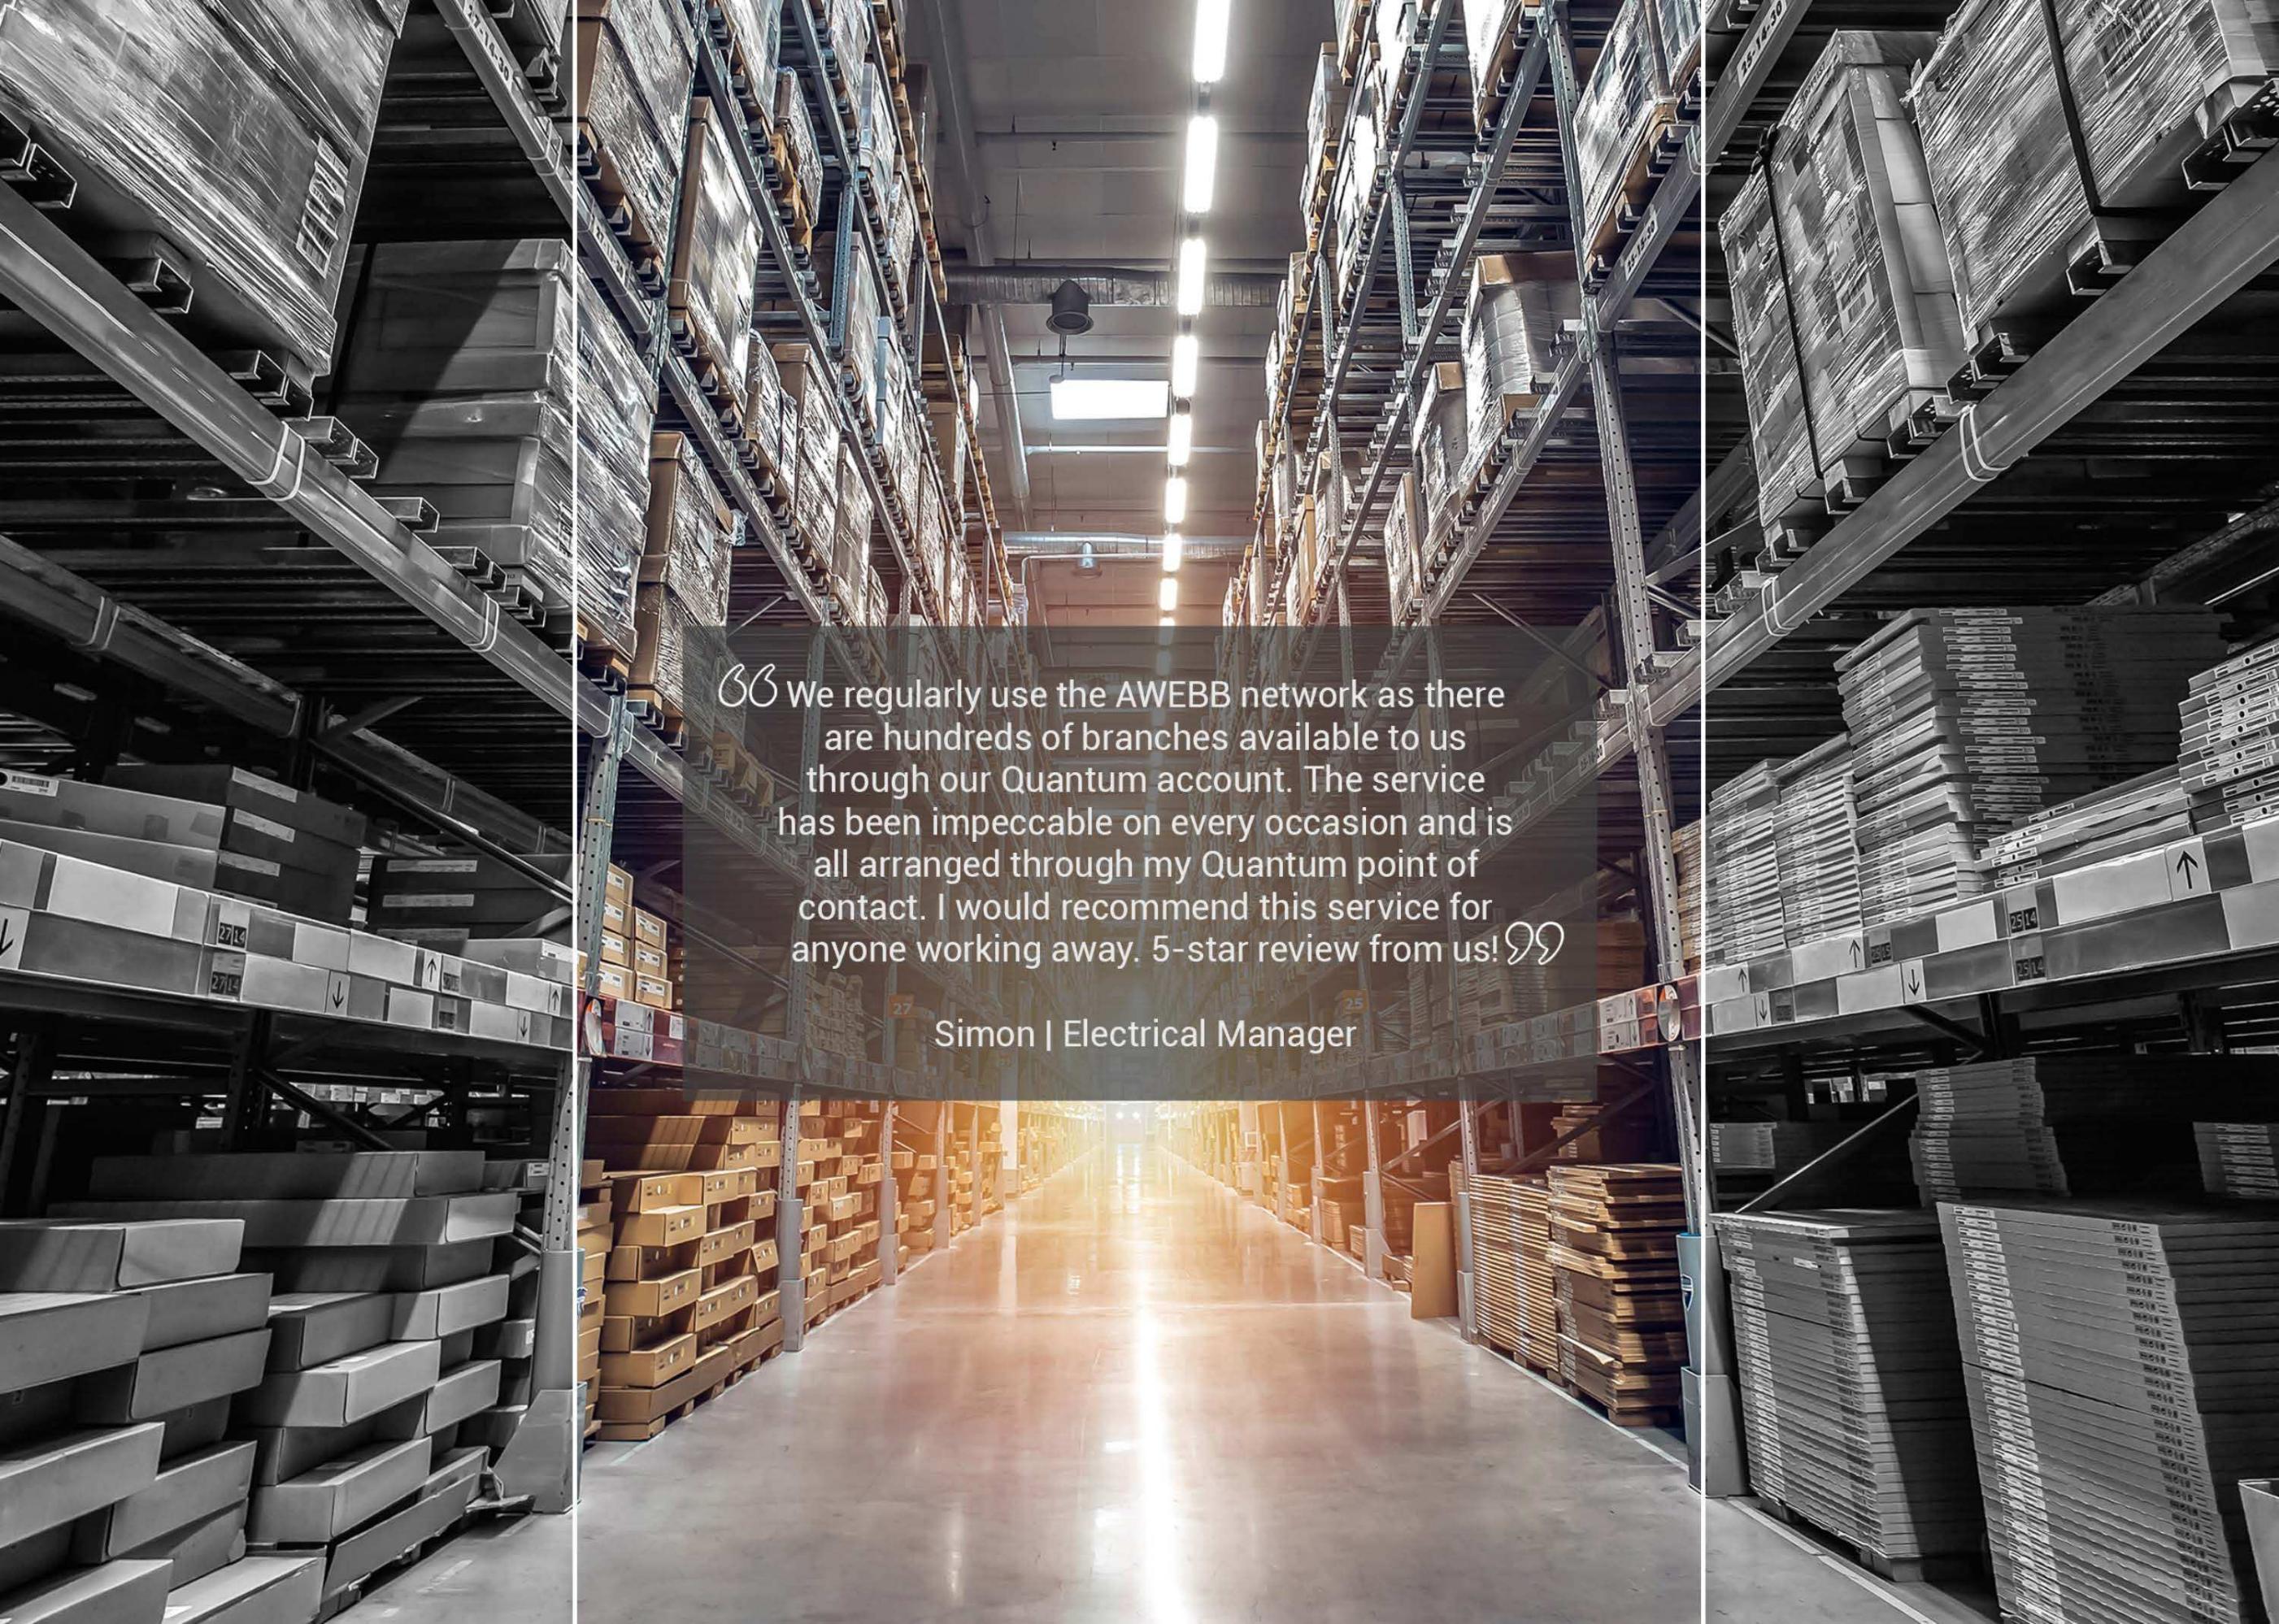

To book your Late Night Delivery, please provide at least 24 hours' notice and Quantum will take care of the rest.

CENTRAL LONDON ● SOUTH OF ENGLAND
AND MORE...

“ We regularly use the AWEBB network as there are hundreds of branches available to us through our Quantum account. The service has been impeccable on every occasion and is all arranged through my Quantum point of contact. I would recommend this service for anyone working away. 5-star review from us!”

Simon | Electrical Manager

AWEBB Benefits

Local Service,
National Outreach

24/7
Availability

Available
Nationwide

We became a proud member of The AWEBB buying group in January 2021. The AWEBB Group connects over 259 independent wholesalers, with a combined buying power of £391M each year. This allows Quantum to be competitive at every level, whilst improving lead times.

Every year AWEBB empowers **five thousand electricians** to increase their outreach.

An account with Quantum gives you full access to every branch location in the AWEBB network. This allows us to offer our customer-first approach, whilst maintaining nationwide coverage through our AWEBB partners. Using your Quantum credit account facility, simply walk into or telephone any AWEBB (ElectraCentre) branch location. Expect to experience the same high service levels you would receive from Quantum, whilst still benefitting from all your agreed prices and terms from your local Quantum branch.

“Quantum Electrical Distribution have provided an excellent service to us at Lightning Safety Systems for a number of years. The rapid response service demonstrates their continued commitment for service improvements, guaranteeing a delivery within an hours' time slot. I have been very impressed with both their professionalism and service offer.”

David | Managing Director

Rapid Response Service

*Delivery in just 1 hour!
Without the carbon
footprint*

Welcomed by
contractors of all sizes.
Rapid Response is
perfect for short
notice emergencies.

It's frustrating when you can't finish the job. It might be the end of a long day, a project alteration, or a sudden fault. Whatever is holding you up, tomorrow isn't good enough. Quantum is here to help.

We're proud to introduce our Rapid Response Service. Delivering to local people in their time of need, Quantum's all electric fleet is charged and ready to dispatch at a moment's notice.

Not only is our electric fleet great for response times, with no need for fuel stops and a reduced chance of breakdowns, they are also environmentally friendly. When you need materials at short notice, just phone your local Quantum branch and request Rapid Delivery. We'll send out your order, no matter how small, and aim to have you back on track within the hour.

Rapid
Response

Sustainability
Promise

“ We have been working closely with Quantum for over 2 years now and the service we have received is excellent. We work closely with everyone at the branch as they are very knowledgeable and always support us with enquiries. Quantum have excelled with their Airside Service, offering us deliveries 3-4 times each day which has assisted us with our project deadlines. ”

Lee | Managing Director

Airside Delivery

*When your day flies, let **Quantum** take up some of the turbulence*

Research shows that the largest cost to airside contractors is the loss of workhours leaving site for materials. Did you know, the round trip from Gatwick Airport via security, to the local wholesaler takes an average of 68 minutes? Over the working week, a project can significantly suffer...

Rapid Response

Airside Access

24/7 Availability

We will deliver your materials airside, direct to site, via our specially trained airside personnel.

Quantum is proud to have an independent Airside License, allowing our vehicles and staff airside at London Gatwick. Our specialist team is also available to meet you on site to consult and provide support on any project. Quantum has airside passes and take full responsibility of the entire process. No hassle, no wasted hours.

A close-up photograph of a hand holding a silver stopwatch. The watch face is white with black markings and numbers, showing a time of approximately 10:10. The hand is positioned on the left side of the frame, with the thumb and index finger gripping the watch. The background is a soft, out-of-focus light blue and white. A semi-transparent dark grey rectangular box is overlaid on the center of the image, containing white text. The text is a testimonial from Paul, a Managing Director, praising the service of Quantum. The text is enclosed in a decorative double-curl symbol at the beginning and end. The overall composition is clean and professional, emphasizing the theme of time and reliability.

“I have been working closely with Quantum for over three years now and the service I receive is exceptional. The timed delivery service is extremely useful, and we use this service on a regular basis. Quantum have helped to manage the delivery logistics where we have had specific site requirements. This has been a brilliant service every time! Great service and staff. Keep it up.”

Paul | Managing Director

Time Controlled Deliveries

Our FORS accredited delivery fleet can **securely deliver** to any site, regardless of time slot or protocol.

Security checked delivery, on time, **every time**

Getting materials delivered to site can be a struggle, especially on sites with booked delivery slots or unique delivery requirements. Introducing Quantum's Timed Deliveries service. We ensure that any delivery protocols and deadlines are met, so that your materials always arrive on time. Our entire delivery fleet is FORS accredited, meaning we're trusted to enter any site safely and securely. Whenever/whatever your requirements, Quantum is ready to provide time-critical delivery, day or night.

24/7 Availability

“ I work closely with the team who all present a wealth of knowledge and are always there to support me with any enquiries I have. The stock availability is brilliant at their store, anything they don't have on the shelf tends to arrive next day.

Great Service, Stock and Staff. ”

Tom | Managing Director

Central Stores

£2 million worth of stock at your fingertips

Our Central Distribution Centre improves stock availability while offering next day delivery.

Quantum's Central Distribution Centre helps prevent shortages and keeps our clients on schedule. Our Central Distribution Centre carries over £2 million worth of stock across 1400 product lines from 70 suppliers. Orders placed before 16:00 qualify for next day delivery. This gives us the confidence to supply each and every project.

An added benefit of Quantum's Central Distribution Centre is our project call-off facility. Especially useful for large projects that require a bulk of materials, call-off allows you to reserve your order in advance. It will be held in our warehouse until it's required, then delivered to site.

Available Nationwide

24/7 Availability

Central Warehouse

A pair of hands is shown in a black and white photograph, gently cupping a small amount of dark soil. A small, vibrant green seedling with three leaves is growing out of the soil held in the hands. The background is dark and out of focus, with some light spots. A semi-transparent dark grey box is overlaid on the image, containing a quote and a name.

“ We have contracted major projects through Quantum via some of their well-known key suppliers producing well manufactured items. I think their progress so far in becoming carbon neutral compliments our future plans, as both businesses grow together. It's nice to support a business that wants to make a difference and lower their own carbon footprint. ”

Colin | Operations Manager

Sustainability
Promise

Carbon Neutral by 2030

At Quantum we're passionate about building a better future, that's why we're contributing wherever possible to the fight against climate change. Introducing Quantum's sustainability programme, our green initiatives.

Going Green, One Van at a Time

As part of our dedication to becoming carbon neutral, we're converting to an all-EV delivery fleet. In 2020 we launched, with plans to be exclusively electric by 2030.

One Tree Planted for Every Purchase

We've partnered with Ecologi to transform the climate crisis... One tree at a time. Our commitment is to plant a tree for every sale, funded by donations from our profits. Restoring forests helps to replenish biodiversity and preserve endangered species, as well as helping offset the carbon footprint associated with every order.

We'll make sure you're kept up to date every month with your impact.

The Best Distributor Community Initiative was awarded to Quantum Electrical Distribution, whose 'green initiative' programme is making a meaningful difference within their business and the communities they serve.

Aico

COMMUNITY AWARDS 2022

WINNER

Best Distributor Community Initiative

Community Awards

The Community Awards by Aico | HomeLINK are designed to recognise the achievements of inspirational individuals and organisations working within the local community and social housing.

The Best Distributor Community Initiative is dedicated to distributors who have gone the extra mile and have been committed to supporting the wider communities they serve.

Quantum has given back to the local communities through a range of projects that focus on tree planting, academy programs, apprenticeship schemes, charitable donations and EV fleets. Aico and the judges recognised Quantum's achievements and we are glad we were able to celebrate this with everyone at this special event.

Sustainability
Promise

As our world changes, sustainability becomes ever more important. HALO leads the way in developing new LED technologies. HALO's range of LED luminaires is designed with efficiency in mind, reducing running and maintenance costs, whilst reducing carbon footprint at the same time. Quantum is proud to be HALO's exclusive partner and distributor.

HALO's range of LED luminaires is designed with **efficiency in mind**... all supported by a **5-year onsite warranty** as standard.

HALO luminaires feature many improvements over conventional luminaires, including safer LSF wiring as standard throughout the entire range. The range is produced to stringent quality standards, tested and reinforced at every level of production. HALO continues to gather installer feedback and invest in R&D to create only the very best products. HALO products are all supported by a 5-year onsite warranty as standard.

Quantum Rewards Card

Rewards
Program

Rewards and rebates, direct to your wallet

Every time you spend with Quantum you can earn rebates back on your own personal Mastercard. By signing up to our Quantum rewards plan, you get cashback for every purchase. Use your Quantum card however you like, anywhere that displays the Mastercard symbol. Reward yourself with a night out, a well-deserved holiday, or even just putting it towards the weekly grocery shop!

How it works:

You receive a prepaid Mastercard personalised with your name. All rewards earned will be credited to your card. Each rebate card is uploaded monthly following payment of the prior month. Your card comes with a secure chip and pin, allowing you to spend up-to the balance of the card. All transactions are authorised at the point of sale and additional services including balance update can be found using the Edenred App. For more information, contact your Quantum representative.

*Minimum spend applies to qualify for Quantum rewards.
Contact your local Quantum representative for more information.

Quantum Rewards gives
you **control** over your
rebate.

“I've been out on corporate days with the team and built a great relationship with everyone at Quantum. It's nice to be invited out and valued as a client, Quantum are great at this!”

Phillip | Managing Director

QUANTUM CORPORATE ENTERTAINMENT

Rewards
Program

Building *stronger relationships* with our existing and new customers

Building strong relationships isn't just key to life, it's the key to our business and success. Quantum regularly organises events for our customers, with the aim of building stronger relationships, and learning how we can better support your business.

Join us at **Quantum events** including track days, curry nights, golf trips, boat days and trips abroad.

Join us at our next Quantum event, whether that be our relaxed monthly curry nights, exhilarating track days, boozy boat trips, or even trips abroad. It's a fantastic way for us to show our appreciation, build our relationship, and to spend time with the key people that make our business what it is.

QUANTUM ACADEMY

Quantum are very excited to announce the arrival and launch of the 'Quantum Academy'. The Academy supports our ambitions and continuing strategy to develop 'new talent' and provide new opportunities within the market.

APPLY NOW

Our purpose is to seek professional people, who perhaps have experienced resistance to joining our industry due to lack of product/market knowledge. We believe that the next generation of fantastic individuals should have an opportunity to join our market, facilitated via Quantum.

Quantum's outlook is to promote a professional, enjoyable work environment that lends itself to young aspiring people, looking to enhance their careers. We provide facilities to improve productively, mental health and wellbeing including, an in-house gym, breakout areas, fresh fruit and free of charge vehicle charging to name a few! People are the heart of our business, and we want to give back, providing opportunities for growth and professional development.

Once joining the Academy, each candidate undergoes an intensive three-month training program. We have segmented each area of training, choosing a preferred supplier to cover their specialities and market offer. After completion they will become an Internal Account Manager at Quantum. This is a fantastic opportunity for individuals looking to progress up to higher management as well as control their earnings, thanks to Quantum's **NO CAP COMMISSION EARNINGS**.

- Welcoming Environment
- Employee First
 - Training
 - Gymnasium
- Corporate Events
- No Earning Cap

THE ACADEMY JOURNEY

-  Introduction to team - Overview of our sales/trade counter operation.
-  Warehousing and Distribution - Introduction to distribution and logistics.
-  External Representation – Customer relationship Management and client meetings with our Business Development Managers.
-  Manufacturer and Product Training – Introduction to: Lighting, Heating, Ventilation, Fire and Security, Wiring Accessories, Cabling, Cable Management, EV Equipment, and Power Distribution.
-  Commercial Training - Covering supplier engagement, inventory management, procurement, strategy, and Commercial agreements.
-  Role playing – Reviewing, monitoring, and improving sales and negotiating techniques. Completing short exams in relation to training.
-  Final Review - Final presentation to board of Directors - Summary of the Academy, including your own customer forecasting strategy.
-  Congratulations, you are now officially on the trading floor... having completed the Quantum Academy. **Welcome to the Quantum family!**

If you think you have the drive and ambition to join us on our journey, then please contact us today.
